Troubleshooting using report logs

**Description:**

This Siebel BI Publisher training is intended for those responsible for report development in a Siebel installation. You'll develop the knowledge to create and modify reports to: change data fields, change the look and feel, and add features like parameters.

Learn To:

Modify as-delivered Siebel reports.  
Create new reports.  
Add charts and formatting to reports.  
Use fields and parameters in reports.  
Add language files for reports  
Administer and deploy reports.

Live Virtual Class Format

A Live Virtual Class (LVC) is exclusively for registered students; unregistered individuals may not view an LVC at any time. Registered students must view the class from the country listed in the registration form. Unauthorized recording, copying, or transmission of LVC content may not be made.
